About the Department

The Department of Information Technology focuses on delivering the cutting edge technology to Under Graduate, Post Graduate and Ph.D students. Our faculties are involved in various research fields and published their work in reputed SCI/WoS, Scopus Indexed Journals as well as Patented their research findings. The Department has successfully completed many funded projects from various Government Agencies. We take great pleasure in welcoming and sharing knowledge with students and teachers from across the globe through Conferences and Workshops.

Scope of the conference:

International Conference on Artificial Intelligence and Machine Learning (IAIM-2019) will be held at Sathyabama Institute of Science and Technology (Deemed to be University), Chennai, India, during 3rd to 5th April, 2019. This conference will bring together leading researchers, engineers and scientists in the domain of interest from all over the world. This would provide a platform to foster discussion and exchange ideas, experiences, challenges, solutions, new methods, techniques and exploration of future research avenues in various fields of Artificial Intelligence and Machine Learning.

IAIM-2019 has a very important role to play in the process of streamlining and to interpret emerging theories and models in the technological field. This conference will include plenary sessions followed by parallel sessions. IAIM-2019 is aimed at providing an opportunity to the participants to reinforce their expertise through invited talks by renowned speakers who are highly experienced in Artificial Intelligence and Machine Learning.
